JAO Girls Basketball League
Community Service Form

JAO has implemented a Community Service requirement for each Prep League player as a way to teach our children about volunteering and giving back to our community.

Each player will be required to devote **2 hours per season** in some type of community service activity to qualify for participation in the Prep League.

The players can start accumulating their community service time starting Jan. 1st thru Dec. 31st to be applied for the upcoming Prep League. Each player must turn in her community service fulfillment form with the JAO team registration that is due in February.

Organization _____ Team Name _____ Div _____ Grade _____

Player Name _____

Description of Community Service Activity	No. of Hours Served
Total No. of Hours Served
